

Due to England's surprise footballing success at the weekend has created a clash with our planned KS3 evening on Wednesday 11th. As such we are aware that there will be many parents who will want to watch the game. The evening is designed to celebrate with all our wonderful Year 8's and we would be devastated if after such a successful year, only a handful of parents attended. This decision has not been made lightly, I would like to apologise for any inconvenience caused.

With this in mind the decision has been taken to move the date, this will be confirmed in a later parent call and letter. We can confirm it will be sometime in September.

Thank you for your understanding.
