

APPRENTICES WANTED!

CARPENTRY & BRICKWORK

- Fast track Level 2 apprenticeship programme
- Delivered at our training centre in Norwich (accommodation where necessary will be provided)
- Recognised and accredited by CITB
- Ideal candidates will have the ability to drive / have their own transport
- Supported by our teachers and assessors with relevant and recent site experience
- Achieve NVQ Level 2

Successful candidates may be offered the opportunity to progress onto a Site Management role (with further training offered).

The apprenticeship programme involves some real commitment from you, in turn you will achieve a nationally recognised trade qualification.

Wages are in line with industry recommendation, with increases awarded for hard work and productivity.

Training programme is scheduled to commence 16th April 2015 at the Carter Academy.

To apply please send a CV and covering letter to recruitment@rgcarter.co.uk

For further information please call Carter Academy on 01603 869654
