Pre-external Examinations

Lesson 6 & 7

Revision session and broken down into lesson 6 (3.30-4.15pm) & lesson 7 (4.15-5.00). To view a copy of the revision schedule please visit our website or the copy located in student planner.

Please encourage your child to draw up a revision schedule and start attending multiple sessions. Revision sessions are frequently being updated (letter for English revision sign up has just been sent home). It is far more beneficial for students to revise at school, where subject staff are there to offer support and guidance.

Additional revision material can be purchased at the school shop at a reduced price (including stationary and other supplies). There are also revision resources on the school VLE for Students which can be access through the school website.
