About the Course

BTEC Extended certificate level 3 Health and Social Care equivalent to One A level

This qualification is part of the suite of Health and Social Care qualifications offered by Pearson.

BTEC National qualifications provide a broad introduction that gives learners transferable knowledge and skills. This qualification is for post-16 learners who want to continue their education through applied learning. The qualifications prepare learners for a range of higher education courses and job roles related to a particular sector. They provide progression either by meeting entry requirements in their own right or by being accepted alongside other qualifications at the same level and adding value to them. In the health and social care sector these qualifications are:
