Brainscape Criminology

“How to be an independent learner” document on Google classroom (under admin) is full of clickable links to resources, past papers etc. and also practical advice on how to spend your study periods effectively, with a Criminology focus.

Useful careers/work experience advice for your subject

Starting points for contact:

- Local charities, eg. Victim Support King's Lynn
- King's Lynn night shelter
- QEH Clinical Psychology department (Louise Robinson)
- Whitemoor Prison (contact Andria Cleary, head of Psychology)
- PC James Smith (found in school in safeguarding, LRC)
- Local courts – King's Lynn magistrates, Norwich Crown Court

Unfortunately, it can be quite challenging to access meaningful work experience in Criminology as most posts require you to be over 18. However, these contacts may be able to give you advice.
