### Message from Mr Johnson

I very much hope you have all had an enjoyable and rewarding term as we approach the Easter holiday. From my perspective it has again been a very successful term and I have been very impressed with how well our students have continued to perform in school and through our extra-curricular activities.

#### **Springwood High School student wins King's Lynn's Rotary Young Musician Competition**

It was a pleasure to see six talented youngsters who took part in the Lynn round of the newly-established Rotary Young Musician Competition. The winner was pianist Matthew Hawkes, from Springwood High School, whose two pieces wowed the audience. He played Debussy's Reverie and Rachmaninoff's Prelude in G Minor. He now goes on to the district round to be held in March. In second place was Ukrainian, Iryna Oliinyk, a pupil at Alderman Peel School in Wells and Chloe Eglen from Springwood High School came third. The Rotary Club is very grateful to Derek Oldfield, Avril Wright and Daniel Jenkins for acting as judges and to Springwood High School for hosting the event.

#### **Y9 Rugby County Cup Winners**

A couple of weeks ago our Y9 Boys won the Rugby County Cup, which makes our team the best state school rugby team in the County. This is a massive achievement for our school and I cannot remember a time when Springwood have achieved such an accolade; it really is a marker to show how much effort the staff and most importantly the students are putting into representing our school for all of the Sports Teams.

Our lads were a credit to the school and the opposition teacher from Aylsham High School, commented on how impressed he was with our rugby. Thanks to all involved and well done.

Our sports teams continue to make our school incredibly impressive and respected in the County

### Message from Miss Davies

It is hard to believe we are now two thirds of the way through the academic year already! I have been delighted with the Art and Photography work I have seen being completed along with the fabulous skills seen in Construction. It is wonderful to see so many students flourishing in a variety of areas. Students are now working hard towards completing the Springwood Record of Achievement. This will see them collect a portfolio of evidence in different areas that they will be able to take to interviews in the future. Evidence collected towards this programme, along with excellent attendance and punctuality and a fantastic attitude to school will all count towards being able to take part in the rewards day on Wednesday 19th July 2023. To see the trips that will be available please see page 14.

I hope you all enjoy a well-earned rest over Easter.

Rebecca Davies  
Assistant Head - Head of Year 10

# YEAR 10 HISTORIAN SPEAKER

On Friday 24th February Year 10 History Students welcomed the pre-eminent Historian Andy Robertshaw to talk to them about medical care in the First World War. This is a key element of their GCSE Exam. As the leading historical expert in the First World War, Andy worked

with Steven Spielberg on Warhorse, Sam Mendes with his film 1917 and

the documentary 'They shall not grow old' where lipreaders were used to bring the voices of soldiers seen but not heard in original footage of the war. Students and staff alike felt privileged to hear what he had to say.

# YEAR 10 WINNERS OF THE MATHS FEAST

It was a really lively and convivial competition to see who was good at maths and those who were great. I really enjoyed my time doing the maths challenge, the instructions of what to do were very easy to understand and I knew what I had to do, in the end we won because of our coordination and synergy and it was overall a team effort

Lukas Year 10

On the relay round we tried getting the answers as fast as possible which worked; we got the majority right and a time advantage. We spent more time on the harder questions near the end which a lot of people either rushed or didn't even get to.
