

Message from Mr Johnson

Welcome

Despite this being a very short half term and as the days lengthen we have seen the school busy and vibrant. Our sports teams have had some fantastic results, with our Year 9 Boys Plate Winners for the County 7's competition which took place at Gresham's. Our Netball teams have won several games recently with the Year 8/9 girls 7 aside football winning all their games. Then our Year 9 Rugby team have won the County Cup Final. A brilliant set of results all round and a well done to everyone who has represented Springwood.

Beauty and the Beast

We were "blown away" by the three performances of Beauty and the Beast which took place here at Springwood High School. I was joined by so many people from the school and the community to see the exceptional talent of our students displayed during the show.

Mr Norman our Director of Music said "The show has been an outstanding success and we are incredibly proud of everyone who has been involved in the production, from lead roles to chorus members and the technical backstage crew. This would not have been possible without a real team effort." Mr Norman also added that "A particular mention should go to the Director, Samantha Burchell, whose vision for the production and how to tell the story, has been an inspiration to us all."

Message from Mr Johnson

Year Group Photo

Considering the amount of rain, we have had recently, we were very lucky on Monday 11th March when the year 11 and year 13 group photos were taken outside on the playground. All the year 11 and year 13 parents/guardians should have received a link to enable them to purchase a copy of the photo. If you have not please can you contact your relevant year office - year 11 01553 778092 and year 13 01553 779407.

Super Learning Day

Our Super Learning Day on Thursday 28th March will see students undertaking various trips and activities. The year 7's will be off to Banham Zoo, the 8's will be studying Industrial Awareness, the 9's will spend the day considering their GCSE choices, then it is PSHE for year 10 and the Alton Towers Reward Trip for year 11. I hope everybody makes the most of these opportunities that they are given and most importantly, they enjoy themselves.

World Book Day

This year we expanded World Book Day into a week-long literary extravaganza, when we held our first ever Reading Festival. Students across all age groups at the school took part in the book-themed event, where activities included a sponsored Year 7 and 8 'readathon' to raise money for the "Read for Good" charity, and a Key Stage 3 visit from children's author and illustrator Chris Priestly, whose books include the Tales of Terror series and Tom Marlowe adventures.

UPCOMING EVENT

Please see below details of an upcoming event which is going to be held at Springwood High School. Why don't you come along and join us for "A Musical Evening." I look forward to seeing you there.

The poster for 'A Musical Evening' at True's Yard Fisherfolk Museum features a central graphic of musical instruments (saxophone, trumpet, guitar, violin, xylophone, and maracas) arranged around a treble clef and musical notes. The background consists of overlapping colored circles in shades of blue, green, yellow, and pink.

TRUE'S YARD
FISHERFOLK MUSEUM
A Musical Evening
Friday 10th May at 18:30

Springwood Concert Band
Marimba Player - Lewis Meehan
The Segno - Piano duet with a difference
Marham Military Wives Choir
Hosted by Mark Standford

At Springwood High School in the Peter Hopkins Hall

Tickets from True's Yard 01553 770479 or book on-line (scan QR code)
David Goddard 07720 727227

Adults £10:00
Under 16's £5:00

Light refreshments included Raffle Free parking Kindly supported by

ALLISON HOMES

Please note that the on-line bookings via the QR code go live on the 8th April.

Best wishes for an enjoyable Easter break and we are all looking forward to being able to celebrate more success next term.

Mr Johnson

Message from Head of Year

Spring Term Roundup: Celebrating Successes and Looking Forward

Dear Parents, Guardians, and Students,

As we bid farewell to the Spring term, it's with immense pride and joy that we reflect on the achievements and growth we've witnessed within our year 9 school community. This term has been a testament to the dedication, hard work, and talent of our pupils, both inside and outside the classroom.

First and foremost, we want to extend our heartfelt gratitude to our students for their exemplary behaviour and commitment to their studies throughout the term. As we approach the crucial time for choosing GCSE courses, it's been inspiring to see our pupils taking this decision seriously, engaging in discussions with teachers and peers, and showing a keen interest in shaping their academic paths.

Beyond academics, our school has been buzzing with vibrant activity, with numerous successes to celebrate. Productions like "Beauty and the Beast" showcased the incredible creativity and talent of our students, captivating audiences and leaving lasting impressions.

In the realm of sports, our pride swells as we announce the remarkable achievements of our Year 9 rugby boys, who have been crowned Norfolk County Champions. This accomplishment not only signifies their exceptional skill and teamwork but also positions our school as the best state school in the county—a distinction we hold with immense pride.

These successes, both academic and extracurricular, underscore the holistic approach to education that we foster at our school. They exemplify the values of teamwork, perseverance, and excellence that we aim to instil in our students, preparing them not just for academic success but for life beyond the classroom.

As we look ahead to the Summer term, we do so with anticipation and excitement, knowing that our students will continue to shine brightly, embrace new challenges, and make us proud in everything they do.

Thank you for your ongoing support and partnership in nurturing the next generation of leaders, thinkers, and changemakers.

Warm regards,

Mr Hobbs

Head of year 9

Attendance Information

What should I do if my child is unwell? – If your child is unwell, please call the Year 9 Office on 01553 778099 or email classof2026@springwoodhighschool.co.uk before 8.00am and give the specific reasons and symptoms of the illness. You will need to contact the office EVERY DAY that your child is off. The information you give will be recorded on our official register.

If you are unsure whether to send your child to school please see the flowing link:

https://67aa.educdn.net/e/n57jy8/dsNF7c?_Su_&nk=NjU2NGE3Yzk0NDE3ZTQyOTY5YTAxZjBjLGthdGllLmdyaWZmaXRoc0Bub3Jmb2xrLmdvdi51azo6OjRneGZkd2dnc3VpeG11cGQ.

Leave of Absence – There may be exceptional circumstances where you need to request a leave of absence for your child. You will need to submit a “Leave of Absence Form.” These can be found on the school website or we have a paper copy in the office. This form needs handing into the Year 9 office. You will then receive a phone call, email or SIMS message stating if your request has been granted or denied.

Attendance Message

Attendance at school is key to your child’s success in the future. Students with high school attendance are twice as likely to pass their English and Maths GCSEs as those who do not. In fact, data shows that only 10% of students with an attendance of 85% or less will achieve 5 GCSEs at grade 4 or above, with one third of the students attending less than 85% achieving no GCSEs at all.

Missing just one day each week is the equivalent of losing 2 years of education, by the time a student reaches year 11. Even an attendance of 90% (missing on average half a day week) amounts to half a years teaching lost during the 5 years at secondary school. Every year at school is as important as another. Although years 10 and 11 are focussed on GCSE and exam work, years 7, 8 and 9 are key to having the building blocks in place in each of the subjects to be able to be successful in the later years.

Good attendance at school is not just about lessons and exams though. Being at school helps your child develop social skills and friendships, and allows them to interact more successfully within society.

Good routines are important – be it going to bed or getting up, taking exercise and just spending time with the family. Talk to your child about their school day: showing an interest in how things are going shows that you value school too.

Students should continue to attend school with minor illnesses; if you could go to work with that illness then your child should attend school. Thank you to all of those parents who do this already. As you know, we will contact you if your child does become too ill to be at school.

Punctuality to school is also key to good habits. Tutor time is just as important as any other lesson in school and therefore all children must be onsite by the time the warning bell sounds, at 8:45am, please, to ensure they are not late to these lessons.

If you need additional support with attendance, please contact the school at

attendance@springwoodhighschool.co.uk or use the following website:

www.justonenorfolk.nhs.uk/attendance

SPORTS NEWS

Springwood High School Triumphs in Norfolk State School County Cup Final

In a riveting display of skill and determination, Springwood High School emerged victorious over Notre Dame High School in the Norfolk State School County Cup Final, held at the esteemed grounds of Greshams School. The clash between these two formidable teams unfolded into a fiercely contested battle that kept spectators on the edge of their seats.

From the onset, Springwood asserted their dominance, storming ahead with three spectacular tries, one of which in the form of a pitch long foot race scored by flying winger Escoto-Domingo, to take an early lead. Their relentless offensive manoeuvres and impeccable teamwork left Notre Dame scrambling to find their footing. The Springwood side showcased a remarkable blend of speed, aggression, and tactical prowess, leaving their opponents struggling to contain their onslaught.

However, Notre Dame refused to yield easily. Displaying admirable resilience and determination, they rallied their forces and fought back fiercely. With unwavering resolve, Notre Dame clawed their way back into contention, showcasing their own brand of skill and resilience. Their efforts paid off as they managed to narrow the deficit, injecting a surge of adrenaline into the contest. Springwood had enjoyed a 21-0 lead, however now found themselves with the slightest of advantages at 21-19.

Yet, Springwood remained unfazed by the resurgence of their opponents. Undeterred by Notre Dame's spirited fightback, they calmed and continued to press forward with unwavering resolve. Their disciplined defence thwarted Notre Dame's advances while their controlled attack continued to pose a formidable threat.

As the final whistle approached, it was evident that Springwood had seized control of the match. Their relentless pursuit of victory culminated in a well-deserved triumph as they secured a commanding lead over Notre Dame, this in no small part due to some impressive bulldozing runs provided by man of the match and three try hero Prostakov. With an impressive display of skill and determination, Springwood High School emerged triumphant with a final scoreline of 35 points to 19.

The victory sparked jubilant celebrations among the Springwood faithful, who erupted into cheers and applause in recognition of their team's outstanding performance. Meanwhile, Notre Dame, though defeated, departed the field with heads held high, having displayed commendable sportsmanship and tenacity throughout the contest.

The Norfolk State School County Cup Final had showcased the very best of school rugby, with both teams delivering a thrilling spectacle for the spectators in attendance. As the dust settled on the battlefield, it was Springwood High School who emerged as the rightful champions, their name etched into the annals of Norfolk rugby history with an emphatic display of skill, teamwork, and determination.

SPORT continued ...

Norfolk State School County Cup Final

Springwood started the game by scoring three tries from Fran, Amaru, Milan, and 3 conversions from Fletcher giving Springwood what was thought to be an easy ride into the second half, but before the whistle blew Notre Dame had a brilliant attack just before half time and scored a great try but unluckily their kicker missed by a small margin and the whistle blew for half time.

Going into the second half Springwood thought they had an easy ride to win the game but Notre Dame were not going to give up easily by drawing the game with 2 brilliant tries. When Notre Dame scored to equal the game the Springwood team huddled up and the Springwood captain Logan had a stern word that was needed to sort out the game because it looked like we didn't want to win, we listened to him. Our man of the match, Milan scored 2 more tries to win Springwood the game.

Year 9 Football – 3-1 Win

Leicester Tigers

Another super trip to watch Leicester Tigers.

OTHER NEWS

Belgium Trip

The History department at Springwood took a number of students away to visit the First World War battlefields around Ypres in Belgium, Arras and the Somme in France.

OTHER NEWS continued ...

The ski trip was amazing. We had lessons from 9 – 3 with lunch in between. After we got the hang of it we moved up from the beginner slopes on to the bigger slopes. We then had to use the chairlift where we kept falling off. It was so much fun and lots of laughter. We had quizzes and many fun evening activities such as laser tag and the alpine coaster in France which had amazing views. The coach there and back was honestly so funny, we sang songs and laughed the whole way there. I would 100% recommend.

GUIDED CHOICES

As your child progresses through Year 9, they are approaching a significant milestone in their educational journey: choosing their GCSE options. This decision marks the beginning of a more focused academic path, laying the groundwork for their future endeavours. As such, your support and guidance during this process are invaluable.

Importance of GCSE Options: GCSEs are pivotal in shaping your child's academic and professional future. These qualifications not only provide a foundation for further education but also influence career prospects. By selecting subjects aligned with their interests, strengths, and career aspirations, your child can enhance their learning experience and unlock opportunities for their future endeavours. Encouraging them to explore a diverse range of subjects will help them discover their passions and talents, setting them on a fulfilling path towards success.

Parental Support: Your role as a parent is crucial in assisting your child through this decision-making process. Here are some ways you can offer support:

Encourage Exploration: Encourage your child to explore various subjects and consider their interests, strengths, and future goals. Attend school information sessions together and discuss the potential benefits of different subject combinations.

Provide Guidance: Offer guidance without imposing your own preferences. Listen to your child's aspirations and concerns, helping them weigh their options thoughtfully. Provide insights into potential career paths related to their chosen subjects, but ultimately respect their decisions.

Research Together: Take the time to research different GCSE subjects, their syllabi, and the opportunities they may lead to. Investigate career pathways, university requirements, and industry demands to make informed decisions.

Support Their Choices: Once your child has made their decisions, support them wholeheartedly. Encourage them to pursue their interests passionately and provide resources or additional support if needed.

Stay Positive: Keep a positive attitude throughout the decision-making process. Emphasise the importance of learning and growth, reassuring your child that their choices now are part of a broader journey towards their goals.

Remember, this is an exciting time for your child, filled with possibilities and opportunities for personal and academic growth.

All students should now have received an email from Mr Hobbs with a link to a shared area where they can access videos created by heads of department detailing course on offer.

If you have any concerns or questions regarding the GCSE options process, do not hesitate to reach out to the school for assistance. Together, we can ensure that your child embarks on a path that ignites their passion for learning and sets them on course for success.

Extra-Curricular Activities

Monday

Kingsmen - Lunchtime - MU1
Keyboard Club - Lunchtime - MU3

Senior Cantabene - 3:30pm to 5:00pm - 6th Form Hub

Equipment Checklist

All students should have the following with them every day –
School bag, Knowledge Organiser, Pencil Case (Pens x 2, Red pen,
Pencil x 2, Ruler, Calculator, Rubber)

to have the correct equipment after being reminded once will result
in a 2-week EQUIPMENT REPORT.

All students need to be prepared daily.

THANK YOU

Parent, Teacher & Friends Association

The Springwood Parent, Teacher, Friends Association or PTFA has recently been reformed as we feel it is an excellent way to bring together parents, teachers and the local community, to raise money and help support the school.

It provides an opportunity for everyone to work together to:

- Raise funds to help the school provide resources and extra for the pupils.
- Provide support for school trips and outings and other special events.

All parents, teachers and school staff can get involved even if they only have a small amount of time available. You may wish to join the committee and be involved in the organisation, or just be available to serve teas and coffees at PTFA events - you may even just like to provide the odd cake here and there!

Whatever your preferred commitment, large or small, the Springwood PTFA would be very grateful for your help.

Please email to ptfa@springwoodhighschool.co.uk for further information or to express an interest or ask for an expression of interest form.

You can keep up-to-date with all the latest news from Springwood High School
on the School's Website or on X
