## Message from Mr Johnson

I very much hope you have all had an enjoyable and rewarding term as we approach the Easter holiday. From my perspective it has again been a very successful term and I have been very impressed with how well our students have continued to perform in school and through our extra-curricular activities.

### **Springwood High School student wins King's Lynn's Rotary Young Musician Competition**

It was a pleasure to see six talented youngsters who took part in the Lynn round of the newly-established Rotary Young Musician Competition. The winner was pianist Matthew Hawkes, from Springwood High School, whose two pieces wowed the audience. He played Debussy's Reverie and Rachmaninoff's Prelude in G Minor. He now goes on to the district round to be held in March. In second place was Ukrainian, Iryna Oliinyk, a pupil at Alderman Peel School in Wells and Chloe Eglen from Springwood High School came third. The Rotary Club is very grateful to Derek Oldfield, Avril Wright and Daniel Jenkins for acting as judges and to Springwood High School for hosting the event.

### **Y9 Rugby County Cup Winners**

A couple of weeks ago our Y9 Boys won the Rugby County Cup, which makes our team the best state school rugby team in the County. This is a massive achievement for our school and I cannot remember a time when Springwood have achieved such an accolade; it really is a marker to show how much effort the staff and most importantly the students are putting into representing our school for all of the Sports Teams.

Our lads were a credit to the school and the opposition teacher from Aylsham High School, commented on how impressed he was with our rugby. Thanks to all involved and well done.

## Message from Mrs Mann – Head of Year 9

We have enjoyed a fantastic Spring term over the last few months. I have been delighted to share in our students' sporting achievements, music concerts and recognise all those who have participated in the various programmes we have running. We have also launched our Record of ACHIEVEMENT programme with students, where I hope that we will discover yet more to celebrate as we continue through the year.

We finish this term with a Super Learning Day focusing on careers and our Guide Choices programme that supports students in making their GCSE choices for next year. Through the day, they will have been introduced to a range of possibilities for their futures, including those they might look at after KS4&5. This includes University, Apprenticeships and Vocational courses. I hope that over the Easter break you will have time to discuss with your child what their aspirations are. Reminding them that they should select courses they enjoy and not just those that their friends will be doing. Latest reports to parents will be available online on Tuesday 18<sup>th</sup> April and parents evening follows shortly after the break so that you can ask questions to help support this decision making. This is an exciting time as they take the next big steps in their educational journey and I know they will appreciate your support and advice.

Finally, we have also included information regarding our Summer term rewards trip. I hope students are keen to see the options available to them and by the time we end the year, will be well deserving of an adventure with their peers.

Have a wonderful and restful Easter break.

## *Attendance Information*

### **What should I do if my child is unwell?**

If your child is unwell, please call the Year 9 Office on 01553 779408 or email [classof2025@springwoodhighschool.co.uk](mailto:classof2025@springwoodhighschool.co.uk) before 8.00am and give specific reasons and symptoms of the illness. You will need to contact the office EVERY DAY that your child is off. The information you give will be recorded on our official register.

### **Leave of Absence**

There may be exceptional circumstances where you need to request a leave of absence for your child. You will need to submit a 'Leave of Absence Form'. These can be found on the school website or we have a paper copy in the office. This form needs handing in to the Year 9 Office. You will then receive a phone call, email or SIMS message stating if your request has been granted or denied.

# Year 9 News and Events

## Duke of Edinburgh Award (DofE) - Update

Currently we have 46 students who have begun their DofE Bronze award.

Many are now working on their Physical, Skill and Volunteering sections and very shortly those who have completed these will be taking part in training and tackling an expedition on local footpaths, as well as camping overnight.

Once their 3 sections are finished they will receive an Achievement Certificate from the DofE Office and by completing the expedition they will achieve the Bronze Award.

To make sure each section can be completed they each need an assessor report, so each participant should give their edofe number to their assessor and ask them to complete this is on the webpage: [dofe.org/assessor](http://dofe.org/assessor)

Important: Can all Year 9 students signed up for DofE please make sure **EACH** section is detailed and filled in correctly. It should have evidence added, for example – photos, log sheets, etc as soon as possible and also make sure they have the **correct assessor** (this cannot be a parent but a teacher is fine).

### ***In addition:***

*HRH Duke of Edinburgh's Award (DofE) and Duke of Edinburgh's International Award are delighted to announce that HRH The Duke of Edinburgh will be the charities' new Patron. The Duke takes on the patronages previously held by his father, Prince Philip, who founded the Award in 1956. He has been a passionate supporter of the DofE and International Award for decades, having achieved his own Gold Award in 1986. The Duke has been a Trustee of the DofE since 1988 and of the International Award since 2006. In these roles, he has travelled widely within the UK and internationally – thanking volunteers and meeting and celebrating young people making a difference through their DofE.*

**HRH The Duke of Edinburgh said:** *"Some say The Duke of Edinburgh's Award is in my DNA; it's certainly been a major part of my life for a very long time. Being asked to take on the role of Patron after my father is a particular honour and quite a responsibility.*

## **Year 9s, join the Star Bakers Club to learn advanced cooking skills**

Have you ever wanted to have a go at making your own pasta or bread? Do you watch TikTok videos and want to use fancy decorative techniques to take your cakes to the next level?

To apply, please email a picture of your best cooking creation to  
**Miss T at [n.thompson@springwoodhighschool.co.uk](mailto:n.thompson@springwoodhighschool.co.uk)**

The Star Bakers Club will meet on Week 2 Tuesdays from 3.30-4.30

# Year 9 Sports Update

The ladies from West Norfolk Rugby Club came into school to work with some of the KS3 girls to offer them a skills taster session. Everyone involved had a great time taking part and were highly commended by them.

Girls rugby club is at school on Thursdays and training at West Norfolk is on Wednesdays 6pm-7pm.

# Year 9 boys Rugby County Cup

**🏆 WINNERS!!! 🏆**

*In the game leading up to the finals we played school team Notre Dame and barely beat them with a score of 12-10 to Springwood. The final game was to be played at Greshams school. We arrived at the game and got warmed up with many people nervous for the upcoming game.*

*We won the game 34-17 with Ralph, Amaru, Maxwell, Fraser scoring tries. After the game there was a meal with the opposition Alysham before heading home to celebrate our victory.*

# *Record of Achievement*

*We are excited to announce our Record of ACHIEVEMENT programme, that will run alongside students' studies over the next 2 years.*

*The programme is designed to help students develop key skills that will enhance their learning and make the most of their time at Springwood. This includes being encouraged to volunteer, participate in school life and experience the wider world of work.*

*We look forward to seeing what our wonderful students can do!*

## *Role Models in Year 9*

*The students below are examples of some of the fantastic students we have in our year group. They have shown in their actions, be that towards other students, shining in their extracurricular activities or bravely demonstrating their talents in assembly, just what we hope to see in every student at Springwood!*

# Rewards Day for Year 9

# Disney Adventures

In February half term, 80 Year 9s and seven brave teachers ventured to Disneyland Paris for a long weekend. It was an early start but the adrenaline was high and everyone was excited. We crossed over on the Eurotunnel and arrived in France, to our first destination Paris.

In Paris, we went on a pleasant boat ride to see some of the big sights of Paris including the Eiffel tower and Notre Dame. This was enjoyed by all even if the tiredness from the early start was kicking in. There were many things to see and many photos were taken enjoying the views.

Once the boat ride was over it was then a two-hour journey to the hotel which by this point was needed. On arriving at the hotel, rooms were allocated, dinner was had and all went to bed ready for the first day in the park.

Breakfast was had even after a very early wake-up call, clearly morning is not a good time for Year 9s. We got a shuttle bus to the park and quickly got busy having lots of fun. Except, maybe, Mr Wisniewski who was ratted out to Darth Vader. After a full day in the park enjoying rides, food, shops and parades, it was back to the hotel for dinner. Once this was done we went back to the park to watch the Disney Illuminations which were truly magical. Then back to the hotel for a good night's sleep.

Day two, lots more rides, more food, the parades and just the magic of Disneyland. It was a great day and it was sad for some to leave the park. Then it was a very quiet drive back home on Monday. Sleeping was the best part of that day and having some quiet time. Wonderful time had by all, a trip to remember.
