## Career Information (For all career queries please contact Mr Holmes)

Throughout this important year the Trust has organised a number of industry and education related events aimed specifically at those who have shown an interest in a career in that field. We have included a table of the dates and events below. As you are aware this is vital with both the choices being made and applications that are due by 18<sup>th</sup> December through Help You Choose. At the end of Year 10 students were asked to complete a short online survey through their school email and this information will be used to identify and consequently invite those students to these events.
