

Year 11 Planning for Success Evening: **Thursday 6th October 2016 in the Drama Studio**

Dear Parents/Guardians,

I am sure your son or daughter has had a good start to Year 11 and has already started to make early preparations for the exams in the Summer of 2017. Springwood High School would like parents to be involved as much as possible, helping us to support your child through this important examination year. With this in mind, I would like to invite you and your son/daughter to an informal evening where you can learn of the arrangements for the year ahead and about the additional qualification, the ECDL, which many of Year 11 will be sitting this year.

Teachers have high expectations for this year group, whose Core Science results have already surpassed the excellent results of Year 11 last year. We are also aware that some examinations have changed this year, with Maths and English now changing to a number grade as opposed to a letter grade for example. Therefore, I have asked members of the English, Maths and Science departments to be present to explain the support that is on offer for you and your child this year. They will also be available to have individual conversations about your child's progress, if you wish. There also will be information regarding Sixth Form applications, the Sixth Form Open Evening (on the 13th October) and a new event this year; the West Norfolk Academies Trust Careers Fair on the 19th October.

I look forward to seeing you on the evening. Could you please sign and return the slip below to confirm attendance and return to your House Office. If you cannot make the allotted time then you are able to come to the other slot, please just make us aware.

Form Groups O1 B1 H1 F1 S1 @ 6.30

Form Groups O2 B2 H2 F2 S2 @ 7.15

Yours faithfully

J M Hirst
Deputy Headteacher

Year 11 Planning for Success Evening
