

## Guidelines for completing your Endeavour PowerPoint

You cannot pass Endeavour without a PowerPoint which explains what you have done to fulfil each part of the scheme.

Use one or more slides per challenge and explain briefly what you did. If you are claiming Gold standard for a letter you need to add what you did to get your Gold. Having gold in 4 areas will entitle you to an extra award.

The PowerPoint you created for Numeracy and Literacy (which explains about 4 books you have read during year 7/8) should be incorporated into this final Endeavour PowerPoint.

You must include some details about what you have gained from completing Endeavour. What new skills have you developed? Which parts have helped you to grow as a person? Which parts did you find hard and have to really work hard at? Which parts did you enjoy the most?

Do not print your PowerPoint out. Save it to your personal documents on the N drive. You will need to email Mrs Scott and attach your PowerPoint to the email. The deadline for receiving your PowerPoint is 30<sup>th</sup> June 2017. Her email address is:

[c.scott@springwoodhighschool.co.uk](mailto:c.scott@springwoodhighschool.co.uk)

If you need help, ask your Form Tutor or see Mrs Scott in the Arts Office.
