

Springwood High School PTFA 100 Club

Welcome to our 100 Club – a great way to support us while having a bit of fun!

By joining, you're not only helping to fund resources, events, and enrichment opportunities for students, but also giving yourself the chance to win in our exciting prize draws.

Here's how it works...

You complete and sign the attached membership form and pay the annual membership of £24 by cash, bank transfer or card payment – that equates to £2 per month (£4 per draw). If paying by card online, you will not need to complete the application form detailed below as the information is all captured on the online form.

Cash payments will only be accepted at events/school meetings where PTFA members will be available with application forms and the card machine. Card payments can be made at school events using the card machine or online at <https://shs-ptfa.org.uk/> and via the QR code below:

This buys you one membership number (we will allocate), which enters you into the half-termly draw. You can buy as many numbers as you like - simply pay the corresponding amount for each additional number. For example, 1 number for the year is £24, 2 numbers for the year is £48, 3 numbers for the year is £72 and so on.

All participants must be over 16.

The draw will be held **six times throughout the academic year**, timed to take place

just before each school holiday during the scheduled **PTFA** meetings (as published on the SHS website). For the 2026/27 academic year, draws will take place on

14 October 2026
9 December 2026
3 February 2027
17 March 2027
19 May 2027
14 July 2027

There will be a first, second and third prize winner for each draw.

If you win, it will be transferred to you via bank transfer and the names of the winners will be published in the PTFA minutes, Springwood High School (SHS) website, SHS newsletters and on Facebook.

The prize money will be 45% of the membership fee taken that month. The remaining 55% goes to the PTFA to help fund equipment, resources and extra-curricular activities/events for the school and students.
