Assessment

- ☐ Biology – Health
- ☐ Chemistry – Bonding, Earth
- ☐ Physics – Electricity
- Astronomy* – Exploring the Solar System, Solar System observations*

- ☐ Biology – Ecology
- ☐ Chemistry – Earth
- ☐ Physics – Electricity, Forces
- Astronomy* – Early models of the Solar System, planetary motion and gravity*

- ☐ Biology – Ecology
- ☐ Chemistry – Earth
- ☐ Physics - Forces
- Astronomy* – Solar astronomy, The Earth-moon-sun system*

- ☐ Biology – Health
- ☐ Chemistry – Bonding
- ☐ Physics – Electricity
- Astronomy* – The lunar disc, exploring the moon, exploring the Solar System*

- ☐ Biology – Cells, health
- ☐ Chemistry – Atoms and the periodic table, Bonding
- ☐ Physics – Energy, electricity
- Astronomy* – Celestial observation, the lunar disc*

- ☐ Biology – Cells
- ☐ Chemistry – Atoms and the periodic table
- ☐ Physics – Energy
- Astronomy* – Planet Earth, celestial observation*

9

Astronomy* Optional

- ☐ Principles of chemistry
- ☐ Disease and evolution
- ☐ British Science Week

- ☐ Principles of chemistry
- ☐ Disease and Evolution
- ☐ Spaced practice

Assessment

- ☐ Bronze Crest Award
- ☐ Skills lessons

- ☐ Organ systems
- ☐ Space
- ☐ Spaced practice
- ☐ Disease and evolution

Energy:	%
Solutions:	%
Space:	%
Organ systems:	%
Principles of Chemistry:	%
Disease and evolution:	%

- ☐ Energy
- ☐ Solutions
- ☐ Space
- ☐ Organ systems
- ☐ Spaced practice

- ☐ Energy
