

## Summer Tasks Year 12

### So, you think you would like to study: Fashion & Textiles!

The project should largely be contained within an A3 sketchbook (please purchase and use for the summer task and the sketchbook will also be used for a Year 12 project).

#### Compulsory:

#### **Instructions:**

This is your first opportunity to show me your design (art) skills and creativity. I would like you to complete Task One, which will feed into your Year 12 sketchbook/portfolio.

The fashion world takes inspiration from everything – not just fashion designers but from real life, films, literature, music, creative practitioners from ceramicists, photographers etc. For the first task I would like to see how you take inspiration from the Dutch painter Vincent Van Gogh works of art.

#### **Fashion Design Illustrations Task One:**

- **Design 3** Fashion Illustrations inspired by the Dutch painter **Vincent Van Gogh**.
- Be creative, consider colour, style, patterns, fabrics and embellishments – inspired by one or more of the famous artist's works of art.
- Consider the length of the clothing, pockets, zips etc. Provide close-up drawings of design features.
- Draw and use a creative, stylish font for the title page: **Vincent Van Gogh Fashion Designs**.
- Annotate the designs, explaining key features about your ideas. Include fabric swatches.
- Watch the [Vincent Van Gogh YouTube Video](#) to inspire ideas for the designs.
- [Makewell with Miss Markwell Pinterest – Vincent Van Gogh](#) - checkout my Pinterest for inspiration on Fashion illustrations (*see examples below on how you can present the work*).

**Suggested Processes / Techniques:** We would like to challenge you to explore a broad range of media when adding colour to your designs, which might include:

- Black outline designs to make them stand-out
- Tonal shading with colouring pencils / pens
- Mark making
- Collage: tear / rip / distress / paper / fabric

- Watercolours / paints

Use this opportunity to try out new and inventive ways of capturing your theme; have some fun!

Summer Task - Examples:
