Springwood High School

October 2026

Message from Mr Johnson

Wow! Is it nearly half term already? This term has flown by in a blur of hard working students, committed staff, engaged parents and amazing community partners. Many thanks to the whole Springwood school community for giving me the best job in the world!!

It is a pleasure to report that all year groups have come back to school with enthusiasm. We have met with the parents of every year group through our information evenings and have had superb feedback and encouragement from parents and carers of our valued students. As leaders walk around the school every lesson, we see our committed teachers delivering excellent lessons where each student is making great progress.

This term we opened up the school to new parents. It is important that the school never forgets the trust that parents place in us in sending their children to Springwood. We had 3 tours a day for two weeks and a packed open evening. The arts specialist places had many keen students wishing to come here from all around the local area. I hope that all students and parents gain the school of their choice.

You may have seen press stories in the Eastern Daily Press and the Lynn News regarding our excellent Sixth Form students. This has been another "best ever" year for the Sixth Form. This means that hundreds of local young people gain their first choice destination whether at a University or (increasingly) with a local or national higher level apprenticeship. Well done to all involved in the Sixth Form. Once again the Sixth Form open evening had a huge level of interest and we are looking forward to recruiting the next set of Sixth Form superstars!

Ex student Isaac Kirk popped into school to tell us how brilliantly he was getting on in the Army! It was lovely to catch up with him.

As you will be aware, this week we had a full Ofsted Inspection. You will all receive the report in due course and we will await that with positive anticipation. However, what I would like to say is a MASSIVE THANK YOU for all students, staff and parents who took part in the surveys. The parental survey is available online but (unfortunately) the staff and student surveys are only seen by the inspectors (who were VERY complimentary regarding the responses in their verbal feedback).

Message from Head of Year

Year 7 have made an incredible start to their journey at Springwood High School. They have embraced every challenge with enthusiasm and a positive attitude, and it has been wonderful to see them settling into school life so well.

Our Year 7 students have already achieved so much, including a phenomenal performance by the choir at our Open Evening. We were incredibly proud of everyone who took part, and you can find photographs of this fantastic event on page 20.

It has also been fantastic to see so many Year 7 students getting involved in our extracurricular activities. In fact, Year 7 has the highest participation rate of any year group in the school! This enthusiasm for trying new things and making the most of the opportunities available is brilliant to see. You can find the extracurricular timetable on page 17.

To round off the half term, our Year 7 students enjoyed a fabulous disco – a well-deserved treat after such a busy and successful start to the school year!

We look forward to welcoming you to our tutor evening on **Thursday 5th November**, which will be a great opportunity to discuss how your child has settled into life at Springwood.

In the meantime, I hope you and your families enjoy a relaxing and well-deserved half-term break. We look forward to seeing everyone refreshed and ready for the next half term!

Attendance Message

We were once again delighted to welcome students back for the beginning of a new academic year, alongside our new year 7s and 12s. Thanks to your continued support the school's attendance has continued to be above national figures since the start of the term, which demonstrates the value we know our families place in the education and opportunities students have available at Springwood.

We have already had a number of holidays taken and holiday requests this school year. We would like to remind families that we are not allowed to authorise any holidays taken during term time. If your child does not arrive back on the planned day after a holiday we will be required to carry out a welfare check, and this will be completed in person or via an online video call, as we have to see the child. If your child is ill following a holiday we may well require medical evidence. The local authority will issue fixed penalty notices for a total of more than 4 and a half days of any unauthorised absence within a 10-school week period.

As the cold season approaches, please check out the NHS,

https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/, for when you should and should not send your child to school - for most minor ailments they should be in. Please liaise with your child's year office if they are suffering a bit but well enough to attend so that we are aware and can support them in school. If you do feel that your child is too unwell, could you please let the year team know the details, not just "they are unwell" so absence can be recorded appropriately. As above, any prolonged absence will require us to complete a home visit.

As ever, support is always available from the year and attendance teams, as well as external teams:

Just One Norfolk - https://www.justonenorfolk.nhs.uk

Family Hubs - https://www.justonenorfolk.nhs.uk/family-hubs/family-hub-sites/

MAP - https://www.map.uk.net/find-us/kings-lynn

Please do reach out to any of the above if your child is struggling with any aspect of school and attendance. We are keen to work with you to remove any barriers your child may be facing.

Finally we are pleased to welcome a new face to our attendance time, in the form of Ms Elmer. We are sure students will give her a warm welcome and appreciate the enthusiasm and skills she will bring to the team.

Meet Miss Bambridge! 👋

Hi Year 7s! My name is Miss Bambridge, and I'm one of the new Teaching Assistants at school. I'm really looking forward to getting to know you all and supporting you throughout the year.

I recently completed my Master's degree in Psychology and previously worked in a GP surgery.

Outside of school, I enjoy reading, going to the gym, travelling, watching Formula 1 and spending time with my dog.

I'm excited to be part of the school and look forward to meeting you all!

Hi everyone! My name is Miss Cornwell and I spend the majority of my time with form 7O1 helping out in their lessons! I enjoy all things football and motorbikes! My favourite football team is Liverpool FC; watching them play at Anfield is one of my favourite things to do! When I'm not watching football, I also enjoy watching British Superbikes and MotoGP both trackside and on the TV (my favourite track being Brands Hatch). Furthermore, my favourite animals are dogs! I have a furry friend called Nancy and enjoy taking her on walks at the weekend. I hope you have all really enjoyed your first few weeks at Springwood High School! Keep being fabulous!

Mr. Manton says -
I am currently reading "Dune" by Frank Herbert. I am enjoying getting to know my tutor group, learning how to do my new job, and exploring my new area. In m y free time I enjoy Paddleboarding, Climbing, Cycling, Hiking .

King's Lynn's Springwood High School students shine at elite Cambridge course

Female Maths students showed off their talents when they were invited to attend an elite three-day course.

The Year 10 students from Lynn's Springwood High School won coveted places on the Girls Enjoy Maths (GEM) Summer School, held annually at Cambridge Maths School.

Connie Loizou, the head of Maths at Springwood, was impressed by the wide range of events and activities on offer to the girls.

She said: "Over the course of the three days, they explored exciting mathematical ideas, completed experiments, took an inspiring trip to the University of Cambridge, and listened to female speakers in the field.

"Activities were designed to provide challenge and opportunities for collaboration.

"They worked together to share and build on each other's ideas, developing their mathematical communication and reasoning, as well as enhancing their problem-solving skills.

"They also explored how Mathematics is applied within other STEM [Science, Technology, Engineering, and Maths] subjects, such as Biology, Chemistry, Physics, and Computer Science, and gained insight into the applications of Mathematics post-16, at university and beyond."

Challenges included a Maths Relay, as well as an in-depth mathematical analysis of the card game Dobble.

"There were a variety of activities over the three days. One included looking at Maths that is embedded into the three sciences – this was really useful to us, as we are studying Triple Science," one participant said.

Another said: “We got to meet college lecturers. This was really useful for future application prospects and knowing what the admission process involved.”

The course involved in-depth mathematical analysis of different topics

A classmate added: “Overall, this experience gave us a new perspective on Maths, even relating it to worldly issues like gender, racism, epidemics, and politics.”

The Summer School is open to female Year 10 students from across the region each year, with places limited to a select 60.

Mrs Loizou added: “These events are valuable, as they enable students to recognise the relevance of Mathematics beyond the classroom.

Bookbuzz 2031

Bookbuzz 2026 is here!
Year 7 students have had the chance to choose a free book through this year's Bookbuzz programme!

Run by BookTrust, Bookbuzz aims to get children reading by offering a selection of books to suit all kinds of readers. Each year, authors record short messages introducing their books, giving students a taste of what's on offer and helping them find a story that catches their interest.

With 16 books to choose from, there was something for everyone, from mysteries to graphic novels and plenty in between. Thanks to Bookbuzz, we're able to purchase the books at a reduced price and offer them to our Year 7s for free.

There was plenty of excitement as students received their books, and we're looking forward to hearing which stories they enjoy most. Who knows? We might even have a few new favourite authors on our hands!

Dance Club

Our Dance Club is proving to be a big hit with students! It's a fantastic opportunity to have fun, learn new moves, build confidence and keep active, all while enjoying time with friends. We love seeing our Year 7s getting involved and making the most of the opportunities available to them!

Choir

It was lovely to see so many of our Year 7 students taking part in our Year 6 Open Evening. They worked incredibly hard to prepare for the event and helped make it such a fantastic evening. For some, it was their first time performing in front of such a large audience, and they should be incredibly proud of themselves. They were a real credit to our school!

A huge thank you to Miss Tabor for coaching and supporting the students so brilliantly. What a wonderful example of our Springwood family spirit!

Superstars

Last Sunday, I had a swimming competition in Norwich (UEA). I had lots of good races and PB's but my best one on that day was 100m brest (4 lengths breaststroke in a 25m pool). I believe I did well as I came third in my age group, and my entry time was 1m.27s and I improved it with 1m.22s.which is a massive PB.

Hi, my name is Kody and I am an 11 year old go karter. My karting career started when I was 9-10 years old. My main karting career started at my first time watching grass karting at the Adrian Flux Arena. As I watched I immediately began to love the sport. After asking my dad for one he finally got my first ever go kart. Once I entered the track for my fitst ever race meeting I loved the speed. Since I had the natural ability to drive I was top 3 every race. After a bit of practice we managed to win the British Championship, Grand Prix Championship, Points Champion.

Once winter came around we had nothing to do which was boring. This was when I drove a proper racing go kart. My dad took me for a day out racing at Wild Tracks. I saw the rental karts and I was shocked as they looked so much faster. Since I was doing really well my dad decided to book me in for a practice day in a Gazelle Kart (60cc). I was nervous at first but once I was on track I knew that was the sport I wanted to do. So that is how my Karting career began.

Kody

I had an amazing summer. I spent lots of time with my family and friends. I **love playing football**, so I spent plenty of time kicking a ball around, as well as riding my bike and even going strawberry picking.
