

## Year 12 Summer Task

Please submit an ATL for each student based on their summer task. Both this grade and the initial assessment should be taken into account when arriving at an overall ATL for the Induction period. This ATL grade should reflect:

Please consult the table below when awarding student summer task ATL grades and award on a 'best fit' basis.

<b>ATL</b>	<b>Description</b>
<b>1</b>	<b>This student has applied an extremely high level of effort in the execution of the summer task. They have engaged in depth research, met all success criteria and taken great care with presentation.</b>
<b>2</b>	<b>This student has applied reasonable amount of effort in the execution of the summer task. They have engaged in some research, met most of the success criteria and taken some care with presentation.</b>
<b>3</b>	<b>This student has engaged with the summer task, but done so half-heartedly. Evidence of research is limited, but most of the success criteria have been met. The presentation of the task is a little disappointing.</b>
<b>4</b>	<b>This student has made little effort, or demonstrated little understanding. This is reflected in both the outcomes and the presentation.</b>
