

13th February 2020

Springwood Sixth Form Saturday School

Dear

Congratulations on your offer from Springwood Sixth Form. We hope that you are looking forward to joining our Sixth Form as much as we are looking forward to welcoming you. While you are busy preparing for your GCSE exams, I am writing to make you aware of an event in the next half term that will assist in your transition from high school to post-16 education.

The key reason to undertake sixth form study is to gain higher qualifications in subjects that you enjoy and that will impact your future decisions. Naturally, there will be a step up between GCSE and A-level study. With this in mind, we are offering prospective students the opportunity to attend a Saturday School Programme, which will allow you to get a flavour of your chosen subjects; meet staff; and begin to foster some of the important skills required for the successful completion of A-levels.

The sessions will take place on **Saturday, 29th February and Saturday, 7th March**. Registration is at 9.00am in the Sixth Form Social Area: you will be given a Saturday School pack and welcomed with a light breakfast. There will be three sessions on offer on each Saturday which should allow you to pick up to four subjects you would like to see. You are free to select any subjects you wish and are certainly not restricted to the subjects on your application form.

Please find attached the Saturday School timetable; if you are interested in attending some sessions, please complete the application form and either post it to the attention of Mrs Franklin or preferably email it to sixthformoffice@springwoodhighschool.co.uk

May I take this opportunity to wish you the best of luck in your forthcoming exams.

Yours sincerely

Mrs J Cuss
Head of sixth Form (Year 12)
