

Year 13 Summer task

Hairdressing

Please make sure you are organised and ready to start with a salon placement, uniform and kit for September. I know most of you will have kits however a new manikin head is essential to start in September.

Salon Placement

Please ensure you start in September with a salon placement. You are required to attend the placement every week for a full day for the whole course. You will need a copy of the salons public liability insurance document once you have found your placement. Please bring with you first lesson.

Kit

Please ensure your Kit is ordered at the start of the Holidays to make sure you have it ready for September. Make sure you state left or right handed Scissors when ordering.

Uniform

Please make sure you order your tunic ready for September and ensure you attend in smart black trousers (no jeans) Black full in shoes (no open toes). Canvas shoes are not allowed or trainers.

Summer written task

Recapping the following health and safety Acts and explain the importance of these in the hairdressing industry. Create a health and safety folder covering the following Acts:

- Health & safety at work Act
- Electricity at Work Act
- COSHH
- RIDDOR
- Correct firefighting equipment for a chemical and electrical fire
- Salon policy and guides (salon rules)

Communication – explain the importance of professional communication in the salon and the different types of communication (verbal and non-verbal)

Explain why a professional image is important in a salon environment and what can happen if professionalism is not followed.

Cutting

Create a cutting guide for the following haircuts. You can use diagrams to explain the process. The guide must explain how to cut the below haircuts step by step.

- One length
- Long graduation
- Uniform layers
- Short graduation
- Different fringes
