

Year 13 Summer Task – Consolidating Research Skills for Unit 4

Primary Research

Conduct an interview with a person of your choosing about a food issue of your choice.

Design the interview questions, transcribe the interview, summarise the key findings and identify key quotes you could use as a source of primary research for a Unit 4 research project.

Identify lessons learnt.

Secondary Research

Watch the following documentary. Present the doctor's experiences as a case study you could use as a source of secondary research for a Unit 4 research project.

<https://www.bbc.co.uk/iplayer/episode/m000wgcd/what-are-we-feeding-our-kids>

Guidance about how to approach a case study in academic literature can be found here:

<https://libguides.hull.ac.uk/other/cases>

Identify lesson learnt.
