

YEAR 12 INTO 13 PSYCHOLOGY SUMMER TASK

Your summer task requires you to revisit content from the Year 1 curriculum. This will take the form of completing a SENECA assignment – if you do not have a SENECA account, it is simple to set up using your school email address. The link to the assignment is:

<https://app.senecalearning.com/dashboard/class/m1zafcan4f/assignments/assignment/925001ca-c2b7-4790-bfef-2cf447e1f6be>

The course is approximately 7 hours in total – **you do not have to do this all at once** – the idea is that you chip away at sections between now and September – look at it as 1 hour per week.

Looking ahead to Year 13 content:

We will be starting Forensic Psychology in Year 13. Summer break is your perfect opportunity to read, listen, and watch materials on the Psychology of offending behaviour. Some recommendations:

Listen (podcasts):

RedHanded
If It Bleeds, It Leads
They Walk Among Us

Watch:

I Am A Killer (Netflix)
Making a Murderer (Netflix)
The Ted Bundy Tapes (Netflix)
The John Wayne Gacy Tapes (Netflix)
What Makes a Murderer? (All4)
World's Toughest Prisons (Netflix)
MindHunter (Netflix)
Criminal Minds (Disney+)

Read:

Come and browse the selection of true crime and criminal psychology books we have available in S11 and S12 – you're welcome to borrow any.
