

Summer Task July 2023

SUBJECT: Photography

This is an opportunity to have some fun and show your skills and creativity. We would like you to complete all of the tasks, which will feed into your A-Level portfolio, you must show consideration and presentation skills expected at A-Level standard and will be required to have with you on the first day to present to the class.

Practical sketchbook work:

The following tasks need to fit in with your theme and artist research.

Photography summer task:

1. Select two of the pictures which inspire you, write in detail about the concept and narrative of the images
2. Plan and replicate as closely as you can the images you have chosen. Show your planning and research
3. Produce artist research based around the images or photographer. Write about 6 -12 images in detail.
4. Adapt and extend the two-images adding you own ideas to the starting points and then retaking the shoots.

Present the work in your sketchbook PP or Google slides.
