

Year 12 into 13 Summer Task 2024

Subject: Religious Studies

Summer Task instructions:

You have lots of resources in Google classroom and in your folders for all three sections of the course, but here are the specific tasks we would like you to do:

Philosophy: Students will be assigned a religious experience to present to the class in Sept. You will either have to argue in support or against its validity, but Mrs Betts will tell you which side you are on.

Ethics: Mrs Cooper will be setting work on sexuality and utilitarianism. Bring the first lesson back. She will give you a sheet which needs completing.

Buddhism:

One essay: Assess the differences between the Noble Eightfold Path and the Bodhisattva Path. Due in first lesson back.

Research three key bodhisattvas – Avlokitesvara, Manjusri and Maitreya. (Be aware names can be spelt differently) you don't need huge amounts of detail, but you do need to speak about them with knowledge and confidence – all are mentioned on the syllabus. Bring your research (notes will do) to the first lesson in September so we can talk about it.
