

Springwood High School Careers Strategy 2021-2022

All students will have the skills, confidence and aspiration to make the most of their life choices and follow the career path that best allows them meet their potential.

Students leaving Springwood High School will be the most 'employable' students in the local area.

Careers education and guidance programmes make a major contribution to preparing young people for the opportunities, responsibilities and experiences of life. A planned progressive programme of activities supports them in choosing 14-19 pathways that suit their interests and abilities and help them to follow a career path and sustain employability throughout their working lives.

Key Strategic Aims

- To deliver, effective, impartial CEIAG
- To monitor and evaluate all provision
- To engage with outside providers of education and training
- To engage with local employers
