As the parent/carer of _____ I understand that

- I should help and encourage my son/daughter in completing their award.
- As each section is completed evidence must be uploaded to edofe system .
- Physical, volunteering and skill sections of their D of E should be completed to enable them to take part in the expedition, which will be organised in 2021
- Any problems with any section should be reported in the first instance to the D of E Leader
- Payments must be complete before the full award can be gained.
- If 3 sections are completed the student will achieve a limited edition DofE2020 Certificate
- Once full payment is received the student can then take part in the expedition to gain the DofE Full Bronze Award
- It is the participants responsibility to arrange the sections of the award including establishing a suitable assessor, and agreeing this with the leader before beginning the section.
- Assessors should be independent and should not be a friend or family member, however due to the current Covid related issues this may be waived
- Participants must collect appropriate evidence including photographs, assessor reports and upload as soon as possible. Help with this is available

For this year only, the award will be subsidised by £30 per student, and in addition First Aid will be completed as the Skill Section during tutor time.

This will mean that no payment will be due until the beginning of 2021 ready for the expedition

2 instalments of £50 via Parent Pay in January and March should your child wish to complete the expedition section. Expedition Details will be sent at the beginning of 2021
