### Message from Mr Johnson

I wish to thank all students, parents and staff for their support this term. I sincerely hope that this time next year we look back on this as a distant memory as we get back to normal. It has been a testing time and I am very proud of how our students have adapted to the changes we have had to make.

Next term we will continue our focus on standards. In particular, we will be looking at uniform and punctuality.

Please ensure that your child:

- Always wears their blazer to school. This must be worn every day including PE days.
- Always comes to school with the correct equipment, especially in the current climate where we are discouraged from sharing equipment. Being fully equipped helps children in their learning as it forms an integral part of being ready to learn.

The assessments that students have completed this term have gone really well and we are pleased with the engagement of our students and the progress they are making.

It is great to hear (socially distanced) singing in the Peter Hopkins Hall. If you haven't had chance to listen to our new single please click the link and have a listen - <https://www.youtube.com/watch?v=mwCDBWHZ1wg>

And, most importantly, I hope you and your family enjoy a safe and restful holiday. I look forward to welcoming all of our students back in the New Year.

Best wishes

Mr A Johnson
