

Year 7 Newsletter Feb 2022

Message from Mr Johnson,

As you are aware, this term we have been highlighting the importance of punctuality with our students. This has had a significant impact and we are very pleased with how our students have responded to the challenge. Thank you for your continued support in ensuring your children maintain excellent attendance and punctuality records: these are important habits for them to develop for life after school.

This term has also seen more fantastic fundraising efforts with the NSPCC Number Day taking place on February 4th. Thank you to everyone who donated to such a worthy cause. The total raised for this event stands at nearly £550.

After the break, we return to school on 21st February. We will continue wearing masks for the first week as we all settle back into being in school but we will review this before the end of that week and communicate with you again.

I hope you have the opportunity to enjoy the break with your children.

Best wishes

Mr Johnson

Spring Term

Mr Hobbs – Head of Year 7

Ms Craig – Year Manager

Unbelievably we approach the half way mark of year 7! Most of our year group have transitioned into high school seamlessly. I should mention how impressed I am at the take up to all extra-curricular activities. Many of our year group voluntarily leave later in the day so that they can take the opportunities that are presented to them in the form of various clubs, hobbies and developing interests. This will undoubtedly give them an advantage in the future.

We have put special emphasis on developing our school and year group culture centred around British values such as Democracy, Individual Liberty, Mutual Respect and the Rule of law. I have seen progress with pupils buying in to the Springwood values. Inevitably humans will all make mistakes but approaching life from a viewpoint of Honesty, Kindness and Forgiveness will lead to a more harmonious school environment. Other aspects of our culture that we have been discussing are Effort, Success and Failures. We need the pupils to accept that in order to succeed in most endeavours we will likely fail at times. Accepting failure and showing the effort and resilience to try again is how success will be achieved, long term.

This half term I have really enjoyed getting to meet many of our wonderful parents too. I want to thank you for your support and positivity throughout.

It has genuinely been a terrific start.

Mr Hobbs

PHOTOGRAPHY COMPETITION – OPEN TO UNDER 16's.

For further information please email:

s.empson@springwoodhighschool.co.uk

PHOTOGRAPHY COMPETITION: Open to under 16 year olds.

Springwood High School Arts Faculty
Naturally Creative.

Photography Competition

To enter go to:
norfolkwildlifetrust.org.uk/gallery/photo-competition

Celebrating 25 years of the Trinity Broads Partnership

Your photographs must be taken at the Trinity Broads. The closing date has been extended to 21 November 2021.
When submitting your entry please remember to include the following details:

1. Your name
2. Contact details
3. Which category and class you are entering

The top 100 photos will hopefully be exhibited at a special event in 2021 where the winners will be announced.

What could you win?
Prizes will include a meal and boat trip on Trinity Broads.

NORFOLK WILDLIFE TRUST

Thank you to everyone who has entered our photo competition so far!

With the unprecedented situation in 2020 leading to the cancellation of the celebrations of the 25th anniversary of the Trinity Broads Partnership, we will be extending the photo competition to run next year as well, and hopefully running some of the events next year celebrating restoration and conservation work and the partnership's contribution to wildlife, landscape and the community.

The Trinity Broads are brilliant for wildlife and great places to explore. Help us celebrate them by entering an image from there to our photography competition. We are looking for photographs that capture:

- Trinity Broads - the seasons (set of 2 photos)
- Watery Wildlife of the Trinity Broads (1 photo)
- Living Water for people and wildlife (1 photo)

There are three classes for submission:

1. Open to all: camera photographs
2. Amateur photo taken on a mobile phone
3. Under 16 year olds

Number Day 2022

Nearly £550 raised for

Nikolas

CORRECT GUESS "HOW MANY SWEETS"

On Friday 4th February, we organised fundraising for the NSPCC, and our Year 7 were very impressive in their involvement.

They helped with the bake sale by bringing cakes, helping selling them, and eating them!

We also had activities in Maths lessons and ran two competitions.

Well done to all, and thank you to everyone who also added to ParentsPay.

We raised nearly £550.

AMAZING TO SEE OUR YEAR 7'S GETTING INVOLVED!

Maia's amazing

MATHS IS FUN CUPCAKES

We would like our Year 7's to think about how we can promote our local area.

This would involve students submitting something that could go on our school website, this might be photographs, art work, a write up of a particular area/feature of King's Lynn, or something else – maybe even record a short film!

A fantastic opportunity for our students to be creative and have their very own work displayed on our website.

INTERESTED? Please see Year 7 Office or Miss Ashfield.

In the Year 7 Office we have created a wall for our students to display work that they are proud of.

We have named it...

FABULOUS 7'S WOW WALL

Our Year 7's are enthusiastic about having their work displayed on the board after half term. Here are just some of the contributions that will be going on display.

Proudly showing us their Maths BIDMAS work!

David

Mileja's TECHNOLOGY Work

George's MATHS WORK

YEAR 7 SCIENCE TRIP

The STEM trip to the Institute of Astronomy will now take place after half term, having been unfortunately delayed due to our host having a positive COVID test. Those that have already paid to go on the trip will have their places rolled over and we might be able to add some extra students to the trip on the new date once it has been confirmed.'

STEM Club - **Wednesday after school until 4.30in JL11.**

All Year 7's welcome! Please come and join in –
next term we will be looking at

Conservation

Photography

Crime scene investigation
