### Message from Mr Johnson

Dear Parent/Carer

It's amazing how quickly the weeks fly by sometimes and I find it difficult to believe we are already at the end of what has been another very busy half term. Firstly, I would like to thank students for their efforts on keeping the site clean and tidy. There is always more we can do, but they are taking much greater pride in our environment.

Alongside the usual busyness of school life, this half term has seen Mr Cuss and Miss Ashfield visiting all of our new pupils who will be joining us in Year 7 in September. Students in Years 7, 8 and 9 have been completing assessments. Year 9 have also been choosing which subjects they would like to study over the next two years. And students in Years 11 and 13 started their GCSE and A Level public examinations.

Next half term will see Year 11 and Year 13 students completing their exams and then hopefully enjoying a well-earned rest in the sunshine. It will then be the turn of Year 10 and 12 students to complete their assessments before we all finish for the Summer holidays.

We will have our final Super Learning Day of the year in July where Year 7 students will have the opportunity to create some amazing smoothies. Year 8 will be working on their CREST award for their work in science. Year 9 and 10 students will be learning about how to look after themselves and others. And Year 12 will officially begin planning for their next stage after sixth form.

Rewards Day for our students is Wednesday 20<sup>th</sup> July and the last day of this school year is Thursday 21<sup>st</sup> July. Please note that we finish slightly earlier on this day and students will be leaving at 2.20 pm rather than 3.25 pm.

I would like to take this opportunity to thank you once again for your ongoing support. I hope you and your family enjoy the week off, possibly involving some Jubilee celebrations.

Best wishes

Mr A Johnson

### Message from Miss Davies

This half term has flown by, we've completed assessments, made guided choices, worked with RAF Marham and a whole host of other things.

I would like to thank you all for your support with the guided choices process, all choices were made by the deadline. I look forward to seeing what subjects' students will be studying for their GCSE's next year, a daunting thought that before we know it they will be starting their GCSE's.

By the time you receive this newsletter you will have already received the latest report. Having had a look at these already myself I know how pleased you will be with the report and the progress that is being made by the students. I look forward to sharing in their success when we return after the holiday.

We spent a couple of days with RAF Marham, it was great to see how well the students engaged with the challenge set, they worked really well together in the teams they were put into. All groups were successful either with the challenge itself or with the teamwork that was displayed.

When we return from the holiday, we are in the final leg of this academic year, with lots to look forward to, this includes: finding out GCSE subjects, sports day, rewards day and a KS3 presentation evening.

I hope you all have a well-deserved rest over the holiday.

Rebecca Davies  
Assistant Head - Head of Year 9

### RAF Marham – STEM Workshop

## 5th Newsletter

**Year 9  
Rewards Day  
Wednesday 20<sup>th</sup> July**

All students who have completed their Futures First Programme will be invited to attend one of the Reward Day Trips. In our Assembly recently, all students have been advised that alongside completing the Futures First Programme, they must continue to meet Springwood's expectations regarding their punctuality, attendance, behaviour & being fully equipped for lessons and ready to learn in order to participate in the rewards trips.

Trip	Cost
Norwich Tenpin bowling, sightseeing, shopping 	£15.00
UK Paintball, Thetford 	£36.00
Visit the seals at Morston. Then on to Wells to visit the beach & have some chips/ice cream 	£16.50

Trip	Cost
Pleasurewood Hills, Lowestoft 	£25.00
Train to Cambridge, punting, sightseeing, shopping 	£17.00
Africa Alive, Lowestoft 	£17.00

Letters are available from the year 9 office.
