February Half Term

Message from

Mr Johnson

It has been wonderful to have the whole school back and seeing teachers and students around the school and in the classrooms. Although learning continued well under lockdown, it is very evident that both students and staff know that school is really the place to be!

May I take this opportunity to thank parents and carers for supporting the education of their children at home. It really has been a significant team effort all round.

I hope everyone in our Springwood community enjoys a well-earned rest over the next two weeks.

I look forward to seeing what the Summer term has in store for us.

Best wishes
Mr A Johnson

Year 10 Team

Mr Cuss & Mrs Robinson

Even though it has been a short half term, it has been an absolute delight to have Year 10 back in school. The year group have settled back into school life in a positive manner. This half term has seen the return of many practical elements of subjects for example – brick walls in Construction, delicious cheesecakes made in Food Technology, the use of sewing machines in Technology, one to one Music lessons, performances in Drama and Dance and burning lots of energy outside in PE lessons.

When we return after Easter, we will continue our focus on careers. During the Easter break, it would be beneficial if you and your child have a look at the websites listed on the following page as well as having another look at the Unifrog website.

We have celebrated the end of this term by giving out 35 Easter eggs, 50 small chocolate eggs and over 50 achievement certificates including this Half Term's Form Superstars, pictured on the next page.

Please may we remind you to ensure your child has full and correct school uniform. Please check the website if you are unsure about any items.

We hope you all have a lovely Easter and we will see the students on Monday 12th April when we return.

The middle photo shows a student at a desk with a laptop. The bottom photo shows a student at a desk with a laptop, looking at the screen. The classrooms are filled with students, and the atmosphere appears to be one of focused learning.

Our "Year 9 Walk for QEH" page was one of the most successful Just Giving pages last month. Out of thousands of fundraisers, we were in the top 10%. Congratulations on raising so much for The Queen Elizabeth Hospital. We smashed our target and have raised over £1000!!!!

The graphic is a purple banner with a gold bell in the center. The bell has '10%' written on it. The text 'FUNDRAISING LEGEND!' is written in white on the purple background. The background is decorated with white confetti.
