Message from Mr Johnson

Dear Parent/Carer

The sun has been shining on Springwood this week as we approach the Summer holidays. As always, we have celebrated and rewarded our students' efforts and tonight we end the school year with the first concert in a very long time. I cannot thank Pete Strudwick and his team enough for organising such an excellent event during these difficult times.

This year we have spent a large amount of time in PE kit rather than normal uniform. When we return in September, we will fully revert to full school uniform so please ensure your child has everything they need. I would like to take this opportunity to remind you that trainers are not acceptable footwear and children must have school shoes in line with our uniform policy. If in doubt, please check the policy on our website.

Please be aware that the new school year begins on Monday 6th September for our new Year 7 and 12 students: all remaining year groups will return on Wednesday 8th September. Prior to the start of term, we will be carrying out Covid testing on 3rd and 7th September for all students. A booking system will be set up in due course and details of how to make your child's appointments will be sent to you.

I would like to thank the many parents who have emailed, telephoned, or written to us to express their support and gratitude. These messages are always passed onto our staff and are greatly appreciated. In return, I would like to thank you for your continued support.

I wish you an enjoyable and safe summer.

Mr A Johnson

Message from Miss Davies

Congratulations Year 8, you have made it!

I cannot believe we are at the end of the year! It has been another odd year with further lockdowns, online learning and isolations. It is a great credit to yourselves how well you have dealt with these interruptions to your learning. You have all displayed great resilience and determination to not let it affect your achievements at school. I look forward to this continuing into year 9.

Parents/Guardians I would like to thank you for your support over this year, which has been invaluable in keeping students on track. I wish you all a very safe and enjoyable summer holiday.

I am already looking forward to welcoming you back to Springwood in September as Year 9's.

Rebecca Davies

Assistant Head - Head of Year 8

EPSB Junior snooker summer holiday club in King's Lynn

Dear West Norfolk Academies Trust,

I'm emailing you about a fantastic national governing body-backed junior snooker programme taking place in your area during this summer holiday!

Maltings Q Club, in King's Lynn, will be hosting a series of fun and engaging introductory snooker and billiards sessions for **new players aged 6-16**, as part of a national programme.

The initiative is a collaboration between the English Partnership for Snooker and Billiards (EPSB), Sport England and our affiliated '147 Club' network to develop, fund and deliver a £15,000 project. It represents the first national snooker project funded by Sport England. All our affiliated clubs now have in place a Club Welfare Officer, Safeguarding and Equal Opportunities policies.

I've attached a promotional poster in two formats, along with a letter that we have sent to some local schools.

Please help us to promote these exciting sessions, which are **only £1 to attend** – open to young people from all backgrounds. Lots of prizes available too!

Please share this opportunity on your website and through your social media pages, using the hashtag **#JuniorSnooker**

Do link these posts to our national governing body social media pages here...

- <https://www.facebook.com/EPsBofficial/>
- <https://twitter.com/EPsBofficial>

Any support you can offer to promote these sessions through your networks would be greatly appreciated.

If you have any questions or would like to discuss this further please call me on 07970 870 465 or drop me an email.

Thank you for your help and support.

Kind regards,

Bob Hill

Club and Facilities Manager

Free summer filmmaking course for 13 - 18 year olds

Hello,

I'm getting in touch from Norfolk & Norwich Festival where we have a great opportunity this summer for young people aged 13 – 18 to learn nature filmmaking at Roydon Common – are you able to share this with any students at your school who might enjoy this course?

Filmmaking at Roydon Common

Like the sound of documentary and wildlife film-making but never had the chance to try it? Already a film or photo buff and want to hone your skills? Just fancy giving something new a go this Summer?

Common Ground have teamed up with Norfolk Wildlife trust to make a free 5 day course running from 16-20 August. Over the course of the week, you will:

- Meet new people
- Gain experience in filmmaking/photograph
- Develop skills to add to CVs and applications
- Get transport and lunch included
- Make your own nature film!

If you're aged 13-18 and live in or near Kings Lynn, come along to our taster session on the 9th of August 11am – 3pm to meet the team and see if it's the right project for you. Book your place and find out more here <https://nnfcommonground.org.uk/roydon-common/>

All the best and please feel free to get in touch with any questions,

Sophie
