ANTI-BULLYING POLICY

School statement on bullying

The aim of the anti-bullying policy is to ensure that we all can learn in a supportive, caring, and safe environment without fear of being bullied. Bullying is anti-social behaviour and affects everyone; it is unacceptable. We are committed to providing a caring, friendly, and safe environment so all of us can learn in a relaxed and secure atmosphere. If bullying does occur, everyone should be able to tell and know that incidents will be dealt with promptly and effectively.

This school is a place where every person has the right to be themselves and to be included in a safe and happy environment. Everyone at our school is equal and should be treated with respect.

What is bullying?

Bullying is hurtful or unkind behaviour which is deliberate and repeated. Bullying can be done by one person or by a group of people towards another person or a group of people where the bully or bullies hold more power than those being bullied.

What does bullying look like?

Bullying can be:

- **Physical** – such as hitting or physically intimidating someone, or using inappropriate or unwanted physical contact towards someone
- **Attacking property** – such as damaging, stealing or hiding someone's possessions
- **Verbal** – such as name calling, spreading rumours about someone, using derogatory or offensive language or threatening someone
- **Psychological** – such as deliberately excluding or ignoring people
- **Cyber** – such as using text, email or other social media to write or say hurtful things about someone

Remember that bullying isn't just physical, and it can happen outside or inside school. If someone is deliberately and repeatedly being hurtful or unkind towards you or someone else, whatever that looks like or for whatever reason, it is bullying.

What kinds of bullying can happen?

Bullying can be based on any of the following things:

- **Race or ethnicity** - racist bullying
- **Religion or belief**
- **Culture or family background**
- **Gender** - sexist bullying
- **Sexual orientation** - homophobic or biphobic bullying
- **Gender identity** - transphobic bullying
- **Special educational needs or disability**
- **Appearance or health condition**
- **Home or another personal situation**
- **Related to any other vulnerable group of people**

Not every type of bullying is on this list. If someone is deliberately and repeatedly being hurtful or unkind towards you, for whatever reason, that is bullying.

What should I do if I'm being bullied or someone else is being bullied? It is important to report bullying whether this takes place inside or outside of school including school holidays.

It won't make the situation worse and it will help to stop the bullying whether it is happening to you or to someone else. If you know that someone is being bullied, try to reassure and support them, tell them that what is happening is wrong and help them to tell a trusted adult. There are many different ways to report bullying:

- **Report to a teacher** – such as a form tutor, head of year, a member of the safeguarding team or any other teacher.
- **Report to a member of the Safeguarding Team** – Safeguarding Office is in the LRC.
- **Report** bullying by emailing bullying@springwoodhighschool.co.uk
- **Report to other school staff** – every adult has a responsibility for the safety of all of our students

You can call ChildLine at any time for free on 0800 1111 to speak to a counsellor. Remember your call will be confidential which means they will not tell anyone else about what you have said.

School staff will make sure that the bullying is recorded and taken seriously and provide any necessary support to those involved. They will also act to sort out the situation with the bully and any others involved.

HOW TO MEASURE YOUR CHILD

Price & Buckland Schoolwear has been created with the growing child in mind and for a comfortable fit. It is generous in size and durable.

We always recommend checking your child's measurements before buying by using our top tips to ensure the best fit.

1 HEIGHT

Without shoes, with the back against the wall place feet together flat on the floor. Measure from the top of the head to the ground.

2 NECK

Measure around the base of the neck where the shirt collar would normally sit. Leave a little room for comfort.

3 CHEST

Measure the chest at the fullest part placing the tape close up under the arms.

4 WAIST

Measure around the natural waistline, at the narrowest part. Leave a little extra room for comfort.

5 HIPS

Standing straight, with heels together, measure around the fullest part.

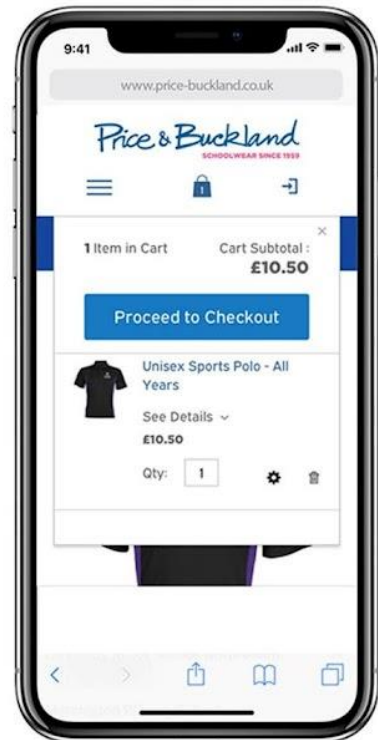

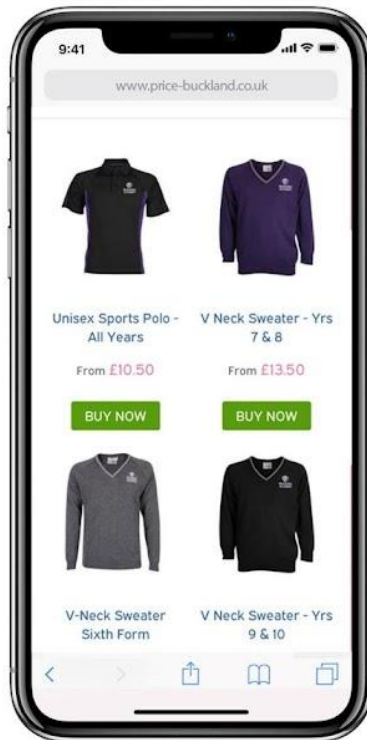

6 INSIDE LEG

In bare feet take the measurement from the top of the inside leg to the floor.
