

Hey! It's Baz
Wynter here!

Is your school
ready?

...to compete
against other
schools...

...by answering
as many questions
as possible...

...for one week
only?

Introducing...
...drum roll
please...

MATHS WEEK
England

9TH-14TH NOVEMBER

ROCK OUT

2020

ROCK OUT 2020

Baz and the TTRS team are on a mission to find the most dedicated TTRS schools, classes and pupils across the whole of England!

We have been invited to compete and show the rest of the country what we are made of by answering the most questions we can on TTRS!

Do you think we can do this?!

When can we start?

Starts on

Monday 9th November at 7.30am

Finishes on

Saturday 14th November at 7.30pm

Strum your air guitar if you are ready to rock and roll with the
Rock Out competition!

Let's play all day!

Good plan and we like your enthusiasm.

However...

Only correct answers between 7.30am and 7.30pm each day will count.

We suggest 30 minutes per day outside school hours.
Some will play more, some will play less.

Where can you earn the points?

Every correct answer earns the class a point. You can play in all game modes.

- Garage
- Gig
- Studio
- Arena
- Festival
- Soundcheck
- Rock Slam

Who wins?

The points from each class are added up and divided by the number of pupils in the class who play.

Example – the class scores 4000 in total and 25 pupils play. The class score will be $4000 \div 25 = 160$.

The class with the highest average is the winner.

We can be the winning class in the school or in the **WHOLE OF ENGLAND!**

Points mean prizes!
