

DBS Policy

The centre must follow their statutory duty to ensure that all members of staff have received an enhanced DBS check before commencement of employment, as part of our safer recruitment process.

Recruitment and Selection

The following guidance is given in the Springwood High School 'Whole School Policy for Safeguarding Incorporating Child Protection' (July 2024):

10. SAFER RECRUITMENT

10.1 We will ensure that the Headteacher and at least one member of the Governing Body have completed appropriate safer recruitment training. At all times the Headteacher and Governing Body will ensure that safer recruitment practices are followed in accordance with the requirements of [*'Keeping Children Safe in Education', DfE \(2024\)*](#). At least one person involved in conducting an interview will have received safer recruitment training.

10.2 At Springwood High School we will use the recruitment and selection process to deter and prevent people who are unsuitable to work with children from applying for or securing employment, or volunteering opportunities.

10.3 We require details of a candidate's present (or last) employment and reason for leaving; full employment history, (since leaving school, including education, employment and voluntary work) including reasons for any gaps in employment and evidence of original academic certificates. We do not accept testimonials and insist on taking up references prior to interview. We will question the contents of application forms if we are unclear

about them, and shortlisted candidates will be asked to complete a self-declaration of their criminal record or information that would make them unsuitable to work with children.

10.4 At Springwood High School we use a range of selection techniques to identify the most suitable person for the post. Structured questions are agreed by the interview panel and any potential areas of concern are explored to determine the applicant's suitability to work with children.

10.5 We will undertake Disclosure and Barring Service checks and other pre-employment checks as outlined in ['Keeping Children Safe in Education', DfE \(2024\)](#) ensure we are recruiting and selecting the most suitable people to work with our children.

10.6 We will maintain a Single Central Register (SCR) of all safer recruitment checks carried out in line with statutory requirements. A senior member of staff will check the SCR regularly to ensure that it meets statutory requirements.

10.7 At Springwood High School we recognise that safer recruitment is not just about carrying out the right DBS checks and is not limited to recruitment procedures. Therefore, we understand the importance of continuous vigilance, maintaining an environment that deters and prevents abuse and challenges inappropriate behaviour. Further information about all of these processes can be found in our Recruitment and Selection policy.

11. SAFER WORKING PRACTICE

11.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.

11.2 All staff will be provided with a copy of our school's code of conduct at induction. They will be expected to know our school's Code of Conduct and policy for positive handling and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. However, at all times the agreed policy for safe restraint must be adhered to.

11.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in school, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.

11.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps which every adult should take in their daily professional conduct with children. This advice can be found in ['Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings'](#), DCSF, May 2019. All staff and volunteers are expected to carry out their work in

accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.
