

Springwood Sixth Form Saturday Schools

Dear Parent/Guardian,

Springwood Sixth Form understand how difficult it can be for students to make the transition from GCSE to A-level study. This year we have decided to offer students the opportunity to attend a Saturday School Programme. These sessions are designed to introduce applicants to the skills required to complete A-levels successfully. They will also give students the opportunity to get a flavour of the subject whilst meeting subject staff.

Please find attached the Saturday School timetable. These Saturday sessions will commence on the 28th February. Students may attend as few or as many as they wish. Please complete the attached reply slip indicating your interest and return it to a member of Springwood staff at your Sixth Form interview or email admissions@springwoodhighschool.co.uk.

We hope you will find these sessions useful. We wish you all the luck for your GCSE examinations and look forward to welcoming you to Springwood Sixth Form in September.

Yours sincerely,

Miss J. Russell
