## School statement on bullying

The aim of the anti-bullying policy is to ensure that we all can learn in a supportive, caring, and safe environment without fear of being bullied. Bullying is anti-social behaviour and affects everyone; it is unacceptable. We are committed to providing a caring, friendly, and safe environment for all of us so that learning can take place in a relaxed and secure atmosphere. If bullying does occur, everyone should be able to tell and know that incidents will be dealt with promptly and effectively.

This school is a place where every person has the right to be themselves and to be included in a safe and happy environment. Everyone at our school is equal and should be treated with respect.

## Aims and purposes of the policy

Bullying of any kind is unacceptable and will not be tolerated at our school. At our school the safety, welfare and well-being of all students and staff is a key priority. We take all incidences of bullying seriously and it is our duty as a whole school community to take measures to prevent and tackle any bullying, harassment or discrimination.

We actively promote values of respect and equality and work to ensure that difference and diversity is celebrated across the whole school community. We want to enable our students to become responsible citizens and to prepare them for life in 21st Century Britain. These values reflect those that will be expected of our students by society when they leave school and enter the world of work or further study.

We are committed to improving our school's approach to tackling bullying by regularly monitoring, reviewing and assessing the impact of our preventative measures.

Bullying can be based on any of the following things:

- **Race** – racist bullying;

- **Related to another vulnerable group of people.**

**No form of bullying will be tolerated and all incidents will be taken seriously.**

## Reporting bullying

**STUDENTS WHO ARE BEING BULLIED:** If a student is being bullied they are encouraged to not retaliate but to tell someone they trust about it such as a friend, family member or trusted adult.

They are also encouraged to report any bullying incidents in school:

- **Report to a teacher** – such as a form tutor, head of year, a member of the safeguarding team or any other teacher;
- **Report to a member of the Safeguarding Team** – Safeguarding Office is in the LRC;
- **Report** bullying by emailing [bullying@springwoodhighschool.co.uk](mailto:bullying@springwoodhighschool.co.uk);
- **Report to other school staff** – every adult has a responsibility for the safety of all of our students;
- **Call ChildLine to speak with someone in confidence on 0800 1111.**

## Reporting – roles and responsibilities

**STAFF:** All school staff, both teaching and non-teaching (for example midday supervisors, caretakers, librarians) have a duty to report bullying, to be vigilant to the signs of bullying and to play an active role in the school's efforts to prevent bullying. If staff are aware of bullying, they should reassure the students involved and inform a relevant member of the pastoral team. They should also log incidents on CPOMS.

The following staff members are anti-bullying leads: every member of the Senior Leadership Team; every member of staff trained as a Designated Safeguarding Lead (named on posters around the school).

**SENIOR STAFF:** The Senior Leadership Team and the head teacher have overall responsibility for ensuring that the anti-bullying policy is followed by all members of staff and that the school upholds its duty to promote the safety and well-being of all young people.

**PARENTS AND CARERS:** Parents and carers should look out for potential signs of bullying such as distress, lack of concentration, feigning illness or other behavior that is unusual for their child, or changes in behaviour.

Parents and carers should tell their child not to retaliate and support and encourage them to report the bullying. Parents and carers can report an incident of bullying to the school either in person, or by phoning or emailing the school office or emailing [bullying@springwoodhighschool.co.uk](mailto:bullying@springwoodhighschool.co.uk)

**STUDENTS:** Students should not take part in any kind of bullying and should watch out for potential signs of bullying among their peers. They should never be bystanders to incidents of bullying. If students witness bullying they should support the victim, encourage them to report the bullying and, if possible, accompany them to tell a trusted adult.

## Responding to bullying

**When bullying has been reported, the following actions will be taken:**

- **Investigate the report and take appropriate action;**
- Support will be offered to those who are the target of bullying. This support will initially come from the pastoral team in school but could include support from a peer mentor (usually an older student) or other programmes deemed appropriate;
- Staff will pro-actively respond to the bully, who may require support from the pastoral team, or peer mentors;
- Staff will assess whether parents and carers need to be involved;
- Staff will assess whether any other authorities (such as police or the local authority) need to be involved, particularly where actions take place outside of school;
- Staff will record the bullying on CPOMS;
- Designated school staff will monitor incidents and information recorded on CPOMS, analysing and evaluating the results;
- Designated school staff will produce termly reports summarising the information, which the head teacher will report to the governing body.

## Bullying outside of school

Bullying is unacceptable and will not be tolerated, whether it takes place inside or outside of school. Bullying can take place on the way to and from school, before or after school hours, at the weekends or during the holidays, or in the wider community. The nature of cyber bullying in particular means that it can impact on students' well-being beyond the school day. Staff, parents and carers, and students must be vigilant to bullying outside of school and report and respond according to their responsibilities as outlined in this policy.

## **Derogatory language**

Derogatory or offensive language is not acceptable and will not be tolerated. This type of language can take any of the forms of bullying listed in our definition of bullying. It will be challenged by staff and recorded and monitored on CPOMS and follow up actions and sanctions, if appropriate, will be taken for students and staff found using any such language. Staff are also encouraged to record the casual use of derogatory language on CPOMS in order for Senior staff to maintain a true picture of the school.

## **Prejudice-based incidents**

A prejudice-based incident is a one-off incident of unkind or hurtful behaviour that is motivated by a prejudice or negative attitudes, beliefs or views towards a protected characteristic or minority group. It can be targeted towards an individual or group of people and have a significant impact on those targeted. All prejudice-based incidents are taken seriously and recorded and monitored in school, with the head teacher regularly reporting incidents to the governing body. This not only ensures that all incidents are dealt with accordingly, but also helps to prevent bullying as it enables targeted anti-bullying interventions.

## **School initiatives to prevent and tackle bullying**

**We use a range of measures to prevent and tackle bullying, including:**

- A student-friendly anti-bullying policy to ensure all students understand and uphold the anti-bullying policy; this is available in students' planners;
- The PSHE programme of study includes opportunities for students to understand about different types of bullying and what they can do to respond and prevent bullying;
- Tutor time provides regular opportunities to discuss issues that may arise in class and for form tutors to target specific interventions;
- Assemblies aimed at raising students' awareness of bullying and derogatory language;
- Differences and diversity are celebrated across the school through displays, books and images. The whole school participates in events including Anti-bullying week, Black History Month and LGBT History Month;
- The school values of equality and respect are embedded across the curriculum to ensure that it is as inclusive as possible;
- Stereotypes are challenged by staff and students across the school;
- Peer mentoring schemes offer support to all;
- Restorative justice programmes provide support to targets of bullying and those who show bullying behavior;
- Students are regularly involved in developing school-wide anti-bullying initiatives through consultation with groups and through anti-bullying surveys;
- Working with parents and carers, and in partnership with community organisations, to tackle bullying where appropriate.

## **Training**

The Head Teacher is responsible for ensuring that all school staff, both teaching and non-teaching (including midday supervisors, caretakers and librarians) receive regular training on all aspects of the anti-bullying policy.

## **Monitoring and reviewing**

The Head Teacher is responsible for reporting to the governing body on how the policy is being enforced and upheld, via the termly report. The governors are in turn responsible for monitoring the effectiveness of the policy via the termly report and by in-school monitoring such as learning walks and focus groups with students.

The policy is reviewed every 12 months, in consultation with the whole school community including staff, students, parents and carers and governors.
