Dear Parents/Carers

I am writing to inform you of the recent changes that have been made to our reporting structure. In line with government guidelines, we have reduced the number of reporting sessions for each of our year groups.

As a parent/carer of a child attending Springwood High School, you will receive two reports this year providing you with an update on the progress your child is making along with an indication of their attitude to learning through the use of our ATL scores.

All reports will be published directly on to the SIMS Parent App for you to access at home. If at present you do not have access to this facility please email [data@springwoodhighschool.co.uk](mailto:data@springwoodhighschool.co.uk) and they will send you an invite with instructions on how to access your child's report on line.

As always, if you have any questions or concerns regarding your child's progress, please contact the school, usually through the Year Office.

Yours sincerely
