Fashion Design Illustration Task 1:

- Design 3 Fashion Illustrations inspired by the fashion icon and retro Fashion designer **Mary Quant**.

- Be creative, consider colour, style, patterns, fabrics and embellishments – inspired by the 1960's.
- Consider the length of the clothing, pockets, zips etc. Provide close-up drawings of design features.
- Use colour to enhance designs, with a black outline to make them stand-out.
- Draw and use a creative, stylish font for the title page: **Mary Quant Fashion Designs**.
- Annotate the designs, explaining key features about your ideas. Include fabric swatches.
- Watch the [Mary Quant YouTube Video](#) to inspire ideas for the designs.
