

Early Applicants Summer Task 2024

This task is for anyone considering applying to Oxford or Cambridge Universities (for any course) or for those considering applying for Medicine, Veterinary Medicine or Dentistry (at any University).

Please record a short video of yourself talking about the following:

- What course you'd like to study
- Why you'd like to study this course
- What University you'd like to study at
- Why this is your first choice University

The purpose of this task is twofold; firstly, to encourage you to do some research on courses and Universities, and secondly to develop your confidence and oracy skills.

Videos can be emailed to m.adcock@springwoodhighschool.co.uk at any time and no later than the end of the first week of term in September.

If you are unable to record a video, please use PowerPoint (or similar) to make a presentation covering the same topics.
